

WELCOMING OTTAWA WEEK
SEMAINE D'ACCUEIL À OTTAWA

WELCOMING OTTAWA AMBASSADORS AWARDS CALL FOR NOMINATIONS

ATTENTION: ALL Immigrants & Refugees in Ottawa

The Ottawa Local Immigration Partnership (OLIP) invites you to nominate an individual who made a difference in your journey to making Ottawa your new home.

Think back to when you first arrived here as a newcomer to Ottawa - whether it was 20 years or 20 days ago - to today. Was there someone who did something - big or small - that made feel at home in your new city, at work, or in the neighbourhood?

Maybe a colleague or a neighbour who supported you in finding information and supports to protect yourself and your family during the pandemic. Or someone who introduced you to how things work at your workplace. Or a teacher who was particularly supportive of your children in school. Or finally a settlement worker who showed kindness and supported you.

It could have been someone who came from your country of origin and spoke your language, or someone who reached out to you from another background.

Tell us how this individual helped you. How did they go the extra mile to support your adjustment to life in Ottawa? Tell us the difference they made in your experience as you made Ottawa your new home.
